

# INVESTING IN OTHER MINISTRIES

**eMi<sup>2</sup>** grants **non-profit** concept design services to Christian Ministries in **South Asia**. We provide the expertise and materials you need to plan, order, and express the **vision** of your development project.

As funds are raised for the project, we ask you **invest a minimum of 1%** of the first phase construction cost into the ministry of **eMi<sup>2</sup>**. This small investment **enables us to continue to offer non-profit design services**.

**Join us** as we invest in your brother and sister ministries in South Asia. To invest, visit [emi2.org](http://emi2.org) or contact us at [projects@emi2.org](mailto:projects@emi2.org).

Since 1998 eMi<sup>2</sup> has been investing in Christian Ministries all over South Asia. Will you invest with us?
